**Healthy Puppy Package**

Oakhurst Veterinary Hospital offers a program that provides the necessary vaccinations, wormings, and fecal examination your new pet will need in his/her first months. ***This is a prepaid program and will save you approximately 20% off the normal costs.*** This program includes:

1. **First Visit** (6-8 weeks of age)
  - Complete physical Examination
  - DAPPC Vaccination
  - Oral Worming for parasites
  - Heartworm Medication
2. **Second Visit** (9-11 weeks of age)
  - Complete Physical Examination
  - DAPPC Vaccination
  - 2<sup>nd</sup> Oral Worming
  - Heartworm Medication
  -
3. **Third Visit** (16 weeks of age)
  - Complete Physical Examination
  - DAPPC Vaccination
  - 1 Year Rabies Vaccine
  - Fecal Examination (Sample provided by owner)
  - Heartworm Medication

**The cost for this program is only \$219.50. It is to be paid in full at the first visit.**

It is possible, depending on the age of your puppy, that a fourth visit will be needed at an additional cost. The doctor will let you know if this is needed for your pet.

It is your responsibility to bring your pet in for his/his visits; no refunds will be made if appointments are not kept.

It is possible that your pet may have specific medical needs, if so the doctor will discuss any additional costs that you may incur.
